Elton Street Party

Elton is hosting a Street Party for the communities of Elton and Gratton.

The event is to be held on Sunday 27 September between 1:00pm and 3:00pm on the main road alongside the school, church and Village Hall.

Everybody welcome - friends and family.

We are currently arranging a number of games and fun things for everybody to enjoy, along with the bouncy castle, pub, food and music.

We are kindly asking for village residents to contribute in anyway they can by helping out with any of the following:

- Giving half an hour of your time to man a stall or game.
- Donate food to 'bring and share table'
- Serve tea and coffee in the Village Hall
- Donate prizes for a tombola

More details will be provided nearer the time on village noticeboards, the Elton email distribution, village website (www.eltonderbyshire.com) and a personal invite through your letterbox.

In the meantime, for further information or for offers of help, please contact Colin Swindell on 07816 986 956 or Frances Burton on 01629 650 209

Road Closure Notice - West End, Elton

I am writing to let local residents know that West End, Elton will be closed between 28 September 2015 and 23 October 2015.

The road was closed a couple of months ago to allow Severn Trent to carry out works to renew the water main. The works were not completed due to complications and the road will have to be closed again to allow them to come back and finish the job.

Last time the road closure took place, access was maintained for the vast majority of the time. It is hoped that this will be the case again, but it cannot be guaranteed all of the time. Anybody wanting more information about the works taking place can contact the contractors' Community Liaison Office, John Coventry on 07827 826 688.

Community Transport Services – Have your say!

At the time of writing, Derbyshire County Council are again consulting members of the public on the future of the Community Transport Service. This service is a lifeline to many residents, groups and organisations who rely on it for weekly trips out to the shops, hospital appointments and GP surgeries. More importantly the Community Transport Service provides a form of travel for those people with mobility difficulties who might find regular buses hard to use.

Derbyshire County Council, who fund the Community Transport Service, say that they are having to re-think the way they deliver the service in light of reduced government funding and greater demands on areas of their budget for adult social care and vulnerable children.

To enable them to make the necessary savings, Derbyshire County Council are proposing the following:

1. Reduce the number of shopping buses to one a week for all communities across Derbyshire.
2. Make Matlock the only shopping destination as opposed to a number of different destinations throughout the month.
3. Increase the flat-rate return fare for Gold Card users on the shopping bus from £2 to £3.
4. Withdraw funding for the aCTive Travel scheme which helps to get individuals to GP surgeries, hospitals, clinics and other healthcare appointments.

It is important that anybody who feels that they might be directly affected by these changes takes part in the consultation to let the County Council know your views. You can either carry out the consultation online at www.derbyshire.gov.uk/shoppingbuses or contact me for a paper copy.

5th Sunday Where this occurs, we will join with the Methodists. Please refer to church notice board for details.

Summer is almost over - and there have been flashes of glorious sunshine, of warm balmy days mixed with heavy downpours. Life is like that for all of us - glorious days of joy and happiness, warm days of contentment amongst our families, and days of heavy sorrow and despair. Our TV's and newspapers have been full of stories of heavy despair of acts of terrorism, of catastrophes, of human despair as thousands leave their homes and familiar places to make long dangerous treks across the world. We are often caught between despair and fear as we look on from our safe sofas.

The bible is full of stories of others who have faced such trials - from Genesis and the flood, Abraham's search for a promised land, the

slavery of Exodus, the despair of Job as he loses everything. But with these stories comes the strength and comfort of faith, the promises of God for a better life, that great statement of Job - I know that my Redeemer lives and on the last day He will stand on the earth.

And what can we do?

- We can welcome the stranger in our midst.
- We can live in hope of a better world
- We can pray.

All Saints remains a place of peace and calm in our village. A place to spend a few minutes away from the hurly burly of everyday life. The church is open every day. There you will find peace, space, an opportunity to offer prayer. As you go in there is a prayer tree- prayers left on it are then prayed by the congregation every Sunday. We are also open for companionship and refreshment every Thursday morning when tea and toast is served. Why not come along for a chat, for laughter and for company.

Then each Sunday we meet to praise our wonderful God, to worship together and to explore the Bible. You would be most welcome to join us- watch the boards outside church to see what time the service is.

CHURCH BBQ

Once again this year's BBQ was a great success. We were blessed with perfect weather and we hope everyone who attended had an enjoyable time.

We would like to thank all those who provided the salads and delicious puddings, the BBQs we borrowed, for the help given by the volunteers who set up on the day and to the Jubilee Field Committee for the chairs.

Thank you all.

We are disappointed.....

to find that someone is allowing their dog to foul the church grounds. This is not only a health hazard, unpleasant for any person attending one of the graves, but is thoroughly irresponsible.

The Church welcomes responsible dog owners in the churchyard.

Continued from page 2

Unfortunately, the consultation ends on 15 September 2015 so many Elton residents who receive the hard/paper copy of the Elton Echo might miss this deadline. But please be assured that I have put forward my objections to the proposals, as your District Councillor on behalf of all service users in my Council Ward. I will also be asking Elton Parish Council to do the same at the September meeting.

Volunteering group

In the last Elton Echo I put forward the idea of setting-up a volunteering group that would meet up on regular basis to do odd jobs around the village to make it tidier and more attractive. Since writing the article I have had many people talk to me about the proposal, but so far on only a handful have committed to helping out.

I am, therefore, asking again for anybody who is interested in joining a volunteering group to get in touch. Please contact me using the details below.

With our County and District Councils making cuts to services due to lack of funding, it is falling more to communities like ours to carry out the basic jobs that have been scaled back, including mowing, road sweeping, weeding, hedge cutting, litter picking, snow clearing and filling grit bins. A dozen or so volunteers meeting every few months to undertake works around the village could make all the difference to our community.

Anybody interested in getting involved can be reassured that they will not be asked to do anything more than they can or want to do.

New Parish Councillor

Elton Parish Council is pleased to welcome our newest member, Janet Mallachin, who joined us in July. Janet's appointment puts the number of Parish Councillors at five with one seat remaining vacant. We hope that an Elton or Gratton resident who is interested in village matters and the local community will come forward to fill the vacancy. If you want to know more about the role and what's involved, please get in touch with me or any of the other Parish Councillors. You could also pop along to one of our monthly meetings to see what's involved.

Can I help?

I am always here to help in any way I can. If you are in need of help, have an issue of concern or know of a problem that needs fixing, please contact me. My contact details are below. If I can't help you, I will always try to point you in the right direction.

If you have a more general comment, complaint or concern about the villages of Elton or Gratton, why not come to your next Parish Council meeting. The Parish Council meets on the first Thursday of every month at 7:30pm in the Village Hall. Village residents and members of the public are welcome to ask any questions or raise any issues at the start of the meeting relating to the parish or items on the agenda for the evening. You are also welcome just to come along and listen to what others have to say. Everybody is made welcome.

Thank you

Elton WI...

During the summer we enjoyed a number of visits. In May those of us who have never been to Lea Gardens were very impressed with the stunning colours and unexpected layout and would recommend it as a place to drop in.

At the end of June we had very hot weather for our day's outing to the Yorkshire Lavender Gardens. There was plenty to see and enjoy, plants to buy of course, an excellent restaurant and very friendly and helpful staff.

On a perfect July evening we visited several gardens in Well Street and we again thank the owners for their permission. Every garden was really interesting because they were all so different. We finished with a Strawberry and Cream supper at Swallow Barn by kind invitation of Mr and Mrs Jillings.

In August we look forward to enjoying an evening meal at the Ashford Arms while our more energetic members will be having a walk. Some members will be attending the 100th Birthday Tea for the Cavendish Group of Wis to celebrate the WI Centenary.

If you think you might enjoy being one of this friendly group, just turn up to one of our meetings which are held on the

2nd Thursday of each month in the Village Hall at 7.00pm

Having read the summer 2015 edition of the Elton Echo made me realise that Jessie Buxton has been collecting for the 100 Club for 38 years; and during all that time she no doubt had to turn out in all weathers, see all sorts of people, some of which would want to talk for a long time and then walk back to her home afterwards.

I think that we all owe Jessie a very big thank you for all her efforts, over such a long time!

THE 2015 EVENING CRICKET SEASON

Crash bang wallop... and before you know itits all over. By the time school breaks up towards the end of July, there is no longer enough daylight to play evening cricket so all the games have to be crammed into three months from early May onwards. With league matches and two cup competitions to squeeze into this all too short window, players find themselves dashing home from work once, sometimes twice, a week to be ready for a 6.30 start. Its all very hectic at the time – but very sadly missed once its all over.

Once again Elton enjoyed a fine season finishing as runners-up to Longstone in the evening league. However, any Elton player reading this should probably look away now because the fact is that it could – indeed should - have ended better for them. Elton travelled to Hathersage for their final league game knowing that victory there would guarantee them top spot again, comfortable in the knowledge that they had already beaten much stronger sides than Hathersage. Just a little too comfortable perhaps?

The game began well enough. Tidy bowling and fielding saw Hathersage restricted to 80 in their fifteen overs – a very modest score and one that Elton would normally overtake with some ease. Unfortunately Elton's batsmen endured a collective off-night and the team suffered an unexpected defeat. These things happen.

Matters were now out of Elton's hands. We now needed a favour from old rivals Stanton. If Stanton could see off Longstone in their final game the following week, Elton would still be champions. On this occasion, however, Stanton were unable to come up with the goods and Elton had to settle for second place.

An anticlimactic end then to what had actually been an excellent season. Earlier victories over Ashford, Calver, Matlock, Darley Dale and Stanton were achieved without breaching Elton's usual practice of using home grown talent. As has been the case for many seasons now, Elton's league side comprised nine players who had attended Elton school – a record of which the club is justifiably proud, and one which the other teams in the league cannot begin to match.

Roll on May 2016 when it starts all over again!

ELTON'S 11th ANNUAL BEER FESTIVAL

RESULTS

This year's Beer Festival promises to be one of our best events ever. We were able to make use of the new pavilion despite it still being in the process of being fitted out. The old wooden pavilion is now unusable due to its very poor condition, so there was a race to make the new building serviceable. This was achieved at the 11th hour and huge thanks go to all those who worked so hard.

Our aim this year was to focus on our village, firstly by encouraging residents to take part in the running of the event by volunteering in various ways. This was achieved with numerous offers of help coming from the village. Secondly, we reduced the cost of entry to £2 for village residents with free entry to all volunteers, however small a part they played.

We secured 4 excellent groups/bands to entertain us throughout the day and although the cost was high they were well worth it. We had a fine selection of beers, some of which were organic, together with ciders and perries, wines, spirits and soft drinks. The food was first class, especially the pork cobs filled with locally sourced pork donated by a village farmer and we were running low on all the food later in the evening. By midnight we had sold nearly all the beers and ciders and what was left was finished by the cricket teams on Sunday afternoon. So nothing wasted!!

We had over 350 people through the door with a number of people camping overnight at a small cost per head. Those through the door included many of the nearly 30 business sponsors of the event to whom we would like to offer our sincere thanks for their generosity. Without their help it is unlikely that the event could take place. And a special thank you this year must go to all our volunteer helpers. Well done everyone.

Finally, although we have not had all the bills in yet, we think we will have raised well over £5,000.

Thank you from the Management Trustees of the Elton Jubilee Sports & Recreation Field

Elton Local History Group visits the Haddon Estate

ELHG greeted with enthusiasm Ruth's offer to arrange a walk. On a perfect evening in July, guide Jo Walker led fifteen members on a two-hour ramble around part of the Haddon Estate that is not normally open to the public. We did our best to ignore a Longhorn cow bellowing her indignation at our intrusion while Jo explained how the estate is now being managed organically. She drew our attention to indicators of ancient parkland that has never been cultivated, particularly ant hills. We learnt about parkland trees and how the River Wye is managed, looked down ventilation shafts into the railway tunnel that runs below the fields and admired a leveret cowering in the grass, pretending not to be there.

What added further enjoyment was revisiting childhood pleasures; tasting spring water, sucking clover, smelling water mint and walnut leaves, poking into ant hills, learning about oxbow lakes and climbing a log!

THE FOOD BANK – AN UPDATE JUNE 2015

Submitted by Jane Snodgrass

The Wirksworth Team churches have been generously supporting the Jigsaw food bank for some time now. This is coordinated and administered by the Church in the Peak in Matlock. Our churches provide the bulk of the food donations and this is gratefully received.

The charity provides currently for 50 households (totalling 130 individuals) all identified by various agencies as needing assistance. Each household is reassessed every 3 months by the referral agency – eg. GP surgeries or Social Services.

The aim is to supplement 3 main meals per weekly. Bags and crates are packed and then distributed once per week. Not only cans and dried food but also fresh vegetables are supplied. These usually come from supermarkets (such as Sainsburys and Waitrose) which are signed up to Fair Share - a not for profit nationwide charity. The Wednesday Cafe at 4 Old English Road also provides free meals on a drop in basis. Crisis food parcels are available from the CAB, and the Rotary Club assists Jigsaw financially. There are many collection points for food.

Ministry is part of the mission of the Food Bank. There's always someone to listen, and with whom to share prayer.

So I hope this gives a further insight into this valuable help and the work of the volunteers involved.

THANK YOU FOR YOUR DONATIONS AND PLEASE KEEP ON GIVING!

Age UK are urgently seeking volunteers for their Befriending Service in the Derbyshire Dales & High Peak areas.

Do you enjoy spending time with people? Do you have a few hours a week to spare?

Just a couple of hours a week could make a real difference to someone's life.

Support and training will be provided by Age UK and the opportunity to meet other volunteers.

If you are interested in volunteering, please contact their office on 01433 620263, or alternatively by email at befriending@ageukderbyandderbyshire.org.uk

Have you lost a cat

Hi about 4 months ago a ginger cat appeared at ours. He's quite at home here and we feed him after a month of him going through our bins. Given Aimee's lost cat in Elton my husband suggested we advertised this stray in the Elton Echo. We've asked around in Gratton and no one has claimed him. He's being fed and is very happy here, but on the off chance someone's missing him, we thought it might be an idea to find out if he did have another home.

Best wishes

Did you go to Y NOT ?
It's that time of year once more
A festival of music
And fun and drink galore

Amidst the green of Derbyshire
Surrounded by fair flowers
Yet fenced in for security
Now is that theirs or ours ?

The site is so impressive
To the uninitiated
Yet also offering promise of
Desires satiated

But. a mystery presents itself
When viewed from High Peak Trail
The festival's called TONY here
Is this a Holy Grail ?

But it's a trick of the perspective
In fact things are just fine
I'm looking at the banner
But I'm looking from behind !

There's graffiti in the fencing
Most charmingly displayed
The message that is written ?
Not for a family page !

So In spite of questionable
language
And harmful influence
Should I let the children go there
To rely on common sense ?

After all that's what we've taught
them

To stand them in good stead
When their tired and worried
parents

Are half asleep in bed

They need to see this real world
But it's risky without you
To guide them through the chaos
So they turn out just like - who ?

But there are some better aspects
The music being prime
Though you could never hear it all
The waste is such a crime

On second thoughts I'm not so sure
Do you know the headline act ?
'Snoop Dog' - just what can that
name mean
Is it a secret pact ?

We didn't see our offspring
For three days after that
We imagined how they spent their
time
Or rather , we did not

Then suddenly it's over
The freedom and the fame
Leaving only ghostly memories
Where once the laughter reigned

But we can still prolong it
The day after all the strife

And see the incredible aftermath
Of hedonistic life

To see the litter everywhere
Too much for any bin
You realise what the fence is for
To keep the litter in !

I can never have the words enough
To describe this sordid scene
It certainly was worth seeing
I wish I hadn't been

But for the sake of balance
To redress this rant and carp
I feel I must reveal
A secret corner of my heart

It may have cost me hundreds
That's a number (though in
pounds)
But I confess it has been worth it
So just what are the grounds ?

Well enjoyment is the keyword here
Laughter, fun and glee
It's other people's pleasure
That's the best reward for me

So in spite of all the mess, the
noise
Expense and worrying
In fact we've truly LIVED it all
And that's the precious thing

RESIDENTS CHALLENGED TO BE PORTION SIZE WISE WITH NEW CAMPAIGN

A new campaign aimed at encouraging people to be healthier by eating less has been launched by Derbyshire County Council.

The six month campaign, 'Be Portion Size Wise', urges people to think about whether they're putting too much food on their plates.

Obesity is a growing problem in the UK and Derbyshire is no exception with 66.9% of people now classed as overweight or obese.

Derbyshire County Council's Cabinet Member for Health and Communities Councillor Dave Allen said: "Overeating by just 100 calories a day, which could be the equivalent of just a small chunk of cheese, can lead to an 11lb increase in weight in a year.

"It's also the case that today's serving sizes are often bigger than they were 30 years ago which means we're consuming a lot more calories than we used to, maybe without even realising.

"Many of us have so-called 'portion distortion', where we no longer know what makes a normal portion of food.

"That's why we've launched our new portion control campaign and it all starts with a very simple message - be portion size wise."

The campaign forms part of the ongoing Heart of Derbyshire healthy eating scheme and encourages people to think about how much they're eating.

It then challenges people to take part in a two week #PortionSizeWise portion control challenge with a chance to win healthy eating prizes.

Councillor Allen added: "Portion control is not about stopping eating the foods you love and it's not about fads or complicated diets.

"It's simply about eating less of the foods you already eat.

"Eating a bit less can make a big difference to your weight and your overall health and it's probably not as hard as people think."

To find out more about the campaign, sign up to the Portion Size Wise challenge and get lots of help and advice go to <http://www.derbyshire.gov.uk/portionsizewise>
