Christmas Tree Light-up

Elton Parish Council would like to invite the residents of Elton and Gratton to the lighting of Elton's Christmas trees. This year's event will take place on Sunday 8 December starting at 6pm. We will begin by lighting the Christmas Tree at the Town Mere (by the telephone box) before moving on to light the second tree at the Church.

There will be carol singing with the Youlgrave Silver Band and afterwards everybody is warmly invited to the Village Hall for mulled wine, mince pies and cakes. We hope you will join us.

Winter Maintenance

Elton Parish Council is preparing for the winter months. We have a large supply of grit in storage which will be used to keep our grit bins are fully stocked throughout winter. We will again be asking people to adopt a grit bin and make sure it is topped up. This will allow residents to clear snow and ice on the roads and pavements around their homes.

The Parish Council would like to remind everybody taxpayers' money is spent on the grit that is in our public bins and should only be used on roads and pavements - not on private property.

Christmas bin collections

This year, Christmas and New Year's Day fall on a Wednesday – which is the usual collection day for Elton and Gratton. Because of this, there will be significant changes to the day your bins will be emptied during the Christmas period.

The Wednesday collection scheduled for Christmas Day will take place earlier on Saturday 21 December. The Wednesday collection scheduled for New Year's Day will take place later on Thursday 2 January.

- Garden waste collections will be suspended from 21 December to 4 January inclusive.
- Food waste will still be collected weekly over the Christmas period on the collection dates outlined above.
- REAL Christmas trees will be collected from the edge of your property between Monday 6 January and Friday 31 January on the same day your garden waste is collected. Please make sure the tree is cut down to at least 5ft in height and all decorations are removed!
- Non-glitter cards and wrapping paper can be left in your blue bin insert or blue bag.
- Crews WILL NOT collect any additional household waste. Please make sure all household waste is contained in your grey bin or 4 black standard sized sacks on collection day.
- Crews WILL take excess recycling. Simply place extra materials at the side of your recycling containers, making sure it is easily identifiable as recycling materials.

December

December in a vicar's life is simply Christmas. During the Christmas week alone we will have 28 services across the Wirksworth Team Ministry Benefice! Make sure you get to one, they are great community events, and a great reminder of God's love. And in Elton, before Christmas we also have the special celebration of John Spreadborough being ordained a Deacon. December is all go! I love the "over-the-topness" of it all! But for some, December is a month of "too much".

Too much loneliness, too much stress, too much food...

January

And then January comes around again, a time to start over – often seen as the month of new beginnings. In reality though, it's often the month to deal with leftovers – and not just of the food variety! Don't get me wrong, I quite like leftovers... you can make lovely new meals out of your leftovers. But often we can make a meal out of other things too: negative comments from difficult family members, or sibling rivalry, or pushy bosses, or ungrateful children, or loved ones that just don't appreciate us... you know what I mean. I have found that when dealing with leftovers (food or otherwise) there are only ever three approaches: they are either something you can deal with straight away (fridge option), or something that is too big to deal with now (freezer option) or something you really don't need and you decide to discard immediately (bin option).

Fridge: Deal with these things now. The emotional leftover equivalent is the saying: "don't let the sun go down on a disagreement".

Freezer: Some things need time to process - like the death of a loved one. You need time to grieve. Eventually though, these experiences can leave us with memories and feelings that pepper who we are.

Bin: this option requires honesty. Have you ever left ½ tin of baked beans in the back of the fridge only to uncover it two weeks' later, covered in mould? Well, unfriendly comments from a colleague or a put down from a family member are the half-tins of baked beans of the soul. If you leave them to fester they become a health hazard. Bin, bin, bin – let them go, don't hold grudges and set yourself free.

Jesus had a simple approach to human interactions, his motto was: "always do to others as you'd have them do to you".

February

In contrast I always think of February as a month of enforced calm. Let's be frank, by the time February comes around, any attraction Winter might have held in December is long gone. So, my suggestion is, instead of fighting it, wrap up warm, watch the snowdrops coming through in the garden and put the kettle on, because a cup of tea makes even the longest of darkest nights better!

Happy Winter everyone.

The late Jean Gladwin

Unfortunately I was away on holiday when I was asked to do the eulogy for Jean's funeral so I would like to write a few words in memory of her.

Jean was born on the 4th October, 1941, the third of four children to Vera and Jack Evans. We shared the same birthday and were born in the same year.

She lived the first few years of her life opposite the church in Milner Yard and went to school in the village, moving later to the other end of the village until her marriage to Ron in 1964, when they went to live in Matlock and then coming back to live in Elton at Woodbine Farm in 1982. They had four children, Steven, Dianne, Lynda and John. Tragically their eldest child Steven died when he was eleven years old.

Jean led a very active life with four young children and whilst in Matlock she also spent a few years commuting back to Elton to help her mother look after her father who had suffered a stroke. She was a good cook and her roast Sunday dinners were a speciality, but I have it on good authority the chip pan will be sorely missed!

Jean and I were very good friends. She was always full of fun and had the same happy outlook on life. We worked together on the Village Hall Committee when it was first formed and I have known her for over forty years.

In 1991 she was critically ill but survived to have a fabulous 50th birthday party and many more years with her family and friends. One of her main interests was flower arranging and she and her sister Marg were very involved with both Matlock and Bakewell Flower Clubs and helped with various church flower festivals together with flowers for weddings in Elton. Both of them helped arrange the flowers with other people from the village for both our children's weddings. They also enjoyed quizzes.

Jean leaves behind her siblings Gor, Marg and Chris, children Dianne, Lynda and John, grandchildren Louise, Rachel and Harry and step grandchildren Ben and Becky .

Jean loved Elton and her life here and will be greatly missed by us all and we offer our condolences to the family at this sad time.

Free Parking throughout December

Derbyshire Dales District Council is once again providing free parking everyday throughout December from 2pm. This is on top of the free parking provided through your residents parking permit which allows free parking up to 11am and after 4pm.

The scheme starts on 1 December and is available on all Derbyshire Dales car parks throughout the District. Please make sure that the car park is operated by the District Council by looking for the Council's logo on the pay and display boards. Charges might apply on private car parks or those operated by other local authorities. Furthermore, please make sure that if you are using the car park before 11am that your Dales parking permit is clearly displayed on your vehicle's dashboard.

Christmas wishes

On behalf of the Parish Council and myself, we wish everybody a Merry Christmas and a Happy New Year.

Can I help you?

I am always here to help in any way I can. If you need help, have an issue of concern or know of a problem that needs fixing, please contact me. My contact details are below. If I can't help you, I will always try to point you in the right direction.

Smerrill

There's nothing new about climate change. What's different this time is that we know what's causing it and also what we can do about it. I don't propose to write about a global issue in a parish newsletter but I shall take the liberty of straying outside Elton and Gratton into our neighbouring parish of Middleton and Smerrill. I've always thought it odd that Smerrill still appears in the name of the parish, the village having been deserted more than 600 years ago.

Low, linear, grass-covered banks in the field on the east side of Smerrill Grange are all that remains of the medieval village of Smerrill. These earthworks mark the walls of 17 enclosures containing the foundations of former houses and barns. The enclosures aren't haphazard but were laid out on either side of a main street; the village was deliberately planned, and built between AD 1200 and 1230, most likely under the direction of the lord of the manor of Middleton. Middleton itself had its origins some 250 years earlier.

What follows is a possible explanation for the rise and fall of the village of Smerrill.

Between 1075 and 1275 Britain, together with the rest of Europe, enjoyed a mild climate, milder than it is today, enabling reliable arable farming at high altitudes in the Peak District. Severe winters were infrequent, summers were warm and dry and harvests were bountiful. The people of the Peak thrived and multiplied. More land around villages was ploughed up to grow more food for the expanding population. But Middleton found itself hemmed in, by the parishes of Youlgreave to the north and Gratton to the east, land belonging to Leicester abbey to the west and to the south a deep ravine in Kenslow Wood. There was good land available further to the south in the area now occupied by Mount Pleasant Farm but it would be a long trek from the village with oxen and ploughs to work a new field out there. The obvious solution would be to establish an overflow village nearer to the new open field - Smerrill. Why call it Smerrill? Because Anglo-Saxon settlers had recognised the excellence of the grazing on the hill, the cows producing fat-rich milk. In Old English *smeoru* means grease or fat. *Smeoruhyll* became Smerrill. The new village took its name from the pasture above it.

It wasn't an ideal location, exposed and windy, and with its water supply, Rowlow Brook, inconveniently in the bottom of a 30-metre deep ravine. The serfs of Middleton belonged to the lord of the manor and so those he selected to be the first inhabitants of Smerrill just had to go - they had no choice. We know of one of the 17 or so families making a living there in 1292. Robert Dyote with his sons Ralph, Elyas and Nicholas and daughter Agnes cultivated 12 acres of arable and kept cattle on the common grazing land. Harvests were good and their animals grew fat. But this wasn't to last. Ten years into the new century a bitterly cold winter hit England, so cold that the River Thames froze over. The climate continued to deteriorate over the next 20 years. Harvests failed, animals died of disease, people starved to death and just to add to the general misery, along came the Black Death in 1349. There were hardly enough serfs left to cultivate the fields close to Middleton and so no longer was there any need for an overflow village. Yields of grain were poor on the higher-altitude land near Smerrill and the village was abandoned. At least one couple moved to Youlgreave, where farmer Robert Smerhull and his wife were assessed for the Poll Tax in 1381.

The close relationship between the two villages as suggested here would account for why, centuries ago, the parish became known as Middleton and Smerrill.

ELTON CRICKET CLUB – 2019 SUNDAY LEAGUE RESULTS

Elton's second season in the Mansfield Sunday League was not only very enjoyable but also successful in terms of results. The team could be well pleased with themselves, finishing runners-up to champions Blackwell in Division Two. There was only one defeat in the entire season when Elton somehow failed to chase down a meagre target of 69 runs at Langwith on 11 August. It was just one of those days!

With the football and skiing clubs now no longer functioning there is only the cricket club keeping the Elton sporting flag flying. It is important that we keep it going rather than join the likes of so many of the surrounding villages which are without any sort of sports team at all. So hats off to all those involved in keeping the Elton Sunday afternoon show on the road. To the players themselves of course but also to the tea ladies and supporters. A special shout too for the club's groundsmen, Ben Yates and Robert Stone, for their many hours of unseen work keeping the field in good playing order for cricket and, at the same time, in nice condition for general village use during the summer months. Finally – a huge thank you to all those involved in organising the excellent end of season 'do' in the new pavilion on 19 October.

Here is a full listing of Elton's Sunday League matches (where play was possible) during the 2019 season:

21.4.19 v Alfreton CC (Away) Losing Draw

Alfreton 236 for 7 in 40 overs (Rob Stone 4 for 60, Matt Heath 1 for 45, Brad Banks 1 for 38, Craig Elliott 1 for 20)

Elton 178 for 9 in 40 overs (Jack Stone 47, Matt Heath 39).

28.4.19 v South Wingfield (Away) Won by 30 runs

Elton 173 all out (Jack Stone 47, Sam Lightfoot 27)

South Wingfield 143 all out (Martin Firth 3 for 32, Dave Cooper 3 for 35, Rob Stone 2 for 30, Sam Lightfoot 1 for 28)

19.5.19 v Papplewick & Linby (Home) Winning Draw

Elton 99 all out (Jonathan Heath 30, Jack Stone 19 not out)

Papplewick & Linby 95 for 7 in 40 overs (Jonathan Heath 3 for 25, Rob Stone 2 for 42, Sam Lightfoot 1 for 12, Dave Cooper 1 for 5)

26.5.19 v Alfreton CC (Home) Losing Draw

Alfreton 114 for 7 in 40 overs (Sam Lightfoot 3 for 29, Dave Cooper 1 for 8, Rob Stone 2 for 20, Ben Jordan 1 for 8)

Elton 97 for 9 in 40 overs (Sam Lightfoot 25)

2.6.19 v Papplewick & Linby (Away) Match abandoned due to rain

Papplewick & Linby 193 for 4 in 40 overs (Dave Cooper 2 for 26, Rob Stone 2 for 50)

Elton 98 for 3 in 34 overs (Jack Stone 61 not out)

9.6.19 v Mansfield Victorious (Home) Match abandoned due to rain

Mansfield Victorious 194 all out (Rob Stone 3 for 50, Matt Heath 3 for 38, Dave Cooper 1 for 34, Sam Lightfoot 1 for 29, Ben Jordan 1 for 20)

Elton did not bat (rain)

RICHARD CORFIELD (1964-2019)

Anyone who has played cricket and been obliged to take their turn on the scorebook rota will appreciate what a luxury it is to have an official scorer do the job for you. Such a possibility presented itself to Elton Cricket Club in 2008 from a most unexpected source. To almost everyone's great surprise, Winster man Richard Corfield, returning to the area following a career in the Navy, promptly volunteered for the job. 'Korky' proved not only willing but also extremely able. He was an excellent scorer – neat and meticulous. It is fair to say that Richard took scoring very seriously and his rather intimidating appearance ensured complete respect from the players – and not just the opposition! Sadly for us, by 2010 Richard's dog-training business had expanded so rapidly that his all-too-brief association with Elton CC came to an end. Before I finish this short tribute, it is important to explain that Richard's somewhat combative appearance was entirely misleading. He was generous to a fault, kind, friendly and ever ready with a cheery greeting. Very sadly, Richard died suddenly in October at the age of 54. Everyone connected with Elton Cricket Club sends their condolences to his family and his very many friends. RIP Korky.

JOHN STONE

Hello Eltonions!

Winster and Elton Luncheon Club is looking for more volunteers to help out on Mondays at the Burton Institute.

Our members come from Elton, Winster and surrounding areas. They meet from 11.30 to 2.15. Volunteers set up the room, greet the members, serve a meal (which is delivered from the Whitworth Hospital) and lead an activity. Sometimes we go out for a meal or a visit. We need 2/3 volunteers for each session.

At the moment volunteers are helping out 3/4 times over 3 months, but with more personnel the commitment would be less. If you think you could join us, please contact Rosie Strauss (650 564).

Don't forget

You can advertise items for sale on the back page or if there is something you want that can be included as well

And it's all FREE for non-business adverts

Post Office Outreach Service

A few years ago we lost our small Post Office run by Sarah Glossop. This was convenient to everyone in the village but of great hardship to older residents and those without transport.

With some effort we eventually secured our current Outreach Service supplied by Two Dales Post Office which still operates from the School House. However, this is only being used by a small number of residents.

We know it's only open for 2hrs on a Thursday, but we urge you to use it whenever you can for the sake of those that need it most.

The 100 Club was re-launched at the beginning of October
and is now called

'The Jessie Buxton 100 Club'

Jessie was a founder member of The 100 Club back in 1977. This fundraiser was set up to help fund the upkeep of the Jubilee Field. It will continue to do so and will raise over £100 annually (depending on level of subscription).

We would like to thank everyone who has fept their number and also welcome and thank new members. A special thank you goes to Margaret Barnsley, Maralyn Marsden, Carolyn Wilson and Kate Barlow our wonderful collecting team! Without them this wouldn't be possible.

If you feel you could make a contribution to the Echo in the form of an article of interest to readers or an upcoming event or photos of a past event, please contact me by email at eltonecho@tiscali.co.uk .

Articles should be in .doc, .docx (not .pdf) or in .jpg format for pictures, approximately 750 words would be ideal and received by the copy date which is always the start of the month prior to quarterly publication. I am most grateful to our regular contributors; without them the Echo would be full of blank spaces.
