We expect users of the field to be sensible and would request that young children are supervised at all times

Failure to comply will result in immediate closure of the facility

We trust you all understand why we have to implement these rules

Please DO NOT interpret this announcement as an invitation to hold social/group gatherings. **Please adhere to the government guidelines for same household groups or families when using the field**

We apologise for any inconvenience or upset caused, however, during these difficult times we must all pull together as a community. Please continue to use the Jubilee Field safely
