Concerns were expressed that the dip in the middle of the Elton to Longcliffe Road half a mile outside the village is dangerous and although DCC have placed signs there, no repairs have been carried out. The Clerk undertook to raise this and other outstanding highways issues again with DCC.

Concerns were expressed that the direction of a footpath sign near Oddo Farm has been changed and is not directing people to the actual footpath. Councillors undertook to check the route.

A resident raised concerns over their housing issues and was informed that this is not a matter which the Parish Council is able to assist with and suggested that they rang Call Derbyshire for advice and gave out the relevant telephone number.

It was noted that a pedestrian had been clipped by a cyclist travelling at speed down Moor Lane. Councillors undertook to check that the "Slow Down" sign is still in place and visible.

It was noted how beautiful the hawthorn blossom has been this year.

Councillors were informed that a member of the Jubilee Fields Committee has asked when work on the Car Park will commence.
